

Politics

The Kingdom is currently ruled by King Alden XVI with his wife, Queen Catherine Valis beside him. It is a place of historic peace, though the rising tension of economic imbalance and political strife are becoming more common. Things are quietly falling apart, though the king has spared the central provinces at the expense of letting the northern border territories suffer.

Currently, the Kingdom is divided into 7 Duchies:

- The City of Eusaria, ruled by King Alden XVI
- Duchy of Ironwood, ruled by Duke Cedric Blackwood
- Duchy of Broadwater, ruled by Duchess Beatrice Marrow
- Duchy of Vermillion, ruled by Duke Ignis Vael-Khor
- Duchy of Marvane, ruled by Duke Alistair Sterling
- Duchy of Summervale, ruled by Duke Julian Thorne
- Duchy of Greycliff, ruled by Duke Cassian Blackwood
